Honorable Arthur S. Flemming
Director
Office of Defense Mobilization
Washington 25, D. C.

Dear Mr. Flemming:

Thank you for your letter of 23 February 1956 transmitting Executive Order 10660 and OEM Order 1-21 on the Civilian Executive Reserve. We are greatly interested in this program and appreciate your selection of the Central Intelligence Agency as a possible participant.

Mobilization studies which have been conducted to date in the Agency indicate the need for a civilian reserve, although the size and composition remain to be determined. We are calling for a review of our mobilization planning in light of the criteria and guidance furnished by you. The results of this review will be reported, as soon as practicable, to the officers you have named in your letter.

The Director of Personnel will be the action officer for the Agency in this matter.

Sincerely,

SIGNED

C. P. Cabell
